department:

section or part of a store
that sells one kind of
merchandise

All sneakers were on sale in the store's shoe department, the part of the store that only sells shoes.

escalator: moving stairs

We rode the
escalator, or moving
stairs, to the top
floor.

toppled:
fell over

My tower of blocks
toppled when you ran
into it. The blocks
went crashing to the
floor.

enormous:
gigantic or very big

The dinosaur had an enormous head. It seemed huge.

fastened:
closed or buttoned

I fastened the buttons
on my coat to keep the
cold out.
