wondrous:
wonderful

Summer can be a wondrous time of the year. It is wonderful to spend long days with friends.

imagine:

to picture something in your
mind

Can you imagine what it
feels like to float in
space? I can picture it
in my hand.

dusk:
the time before dark

It is often dusk at 5:30 p.m. on a winter's day. Sometimes you can see a nice sunset at that time.

rustle:

to make a light, soft sound by
things rubbing together

We heard the rustle
of leaves behind our
feet.

pier:

something built from the shore out into water to be used as a walkway.

I used to sit at the
end of the pier and
listen for whales.
