

***The Dinosaurs Who
Lived in My Backyard***

Fossils
Lesson 2
Vocabulary

hatched

broke out of an egg

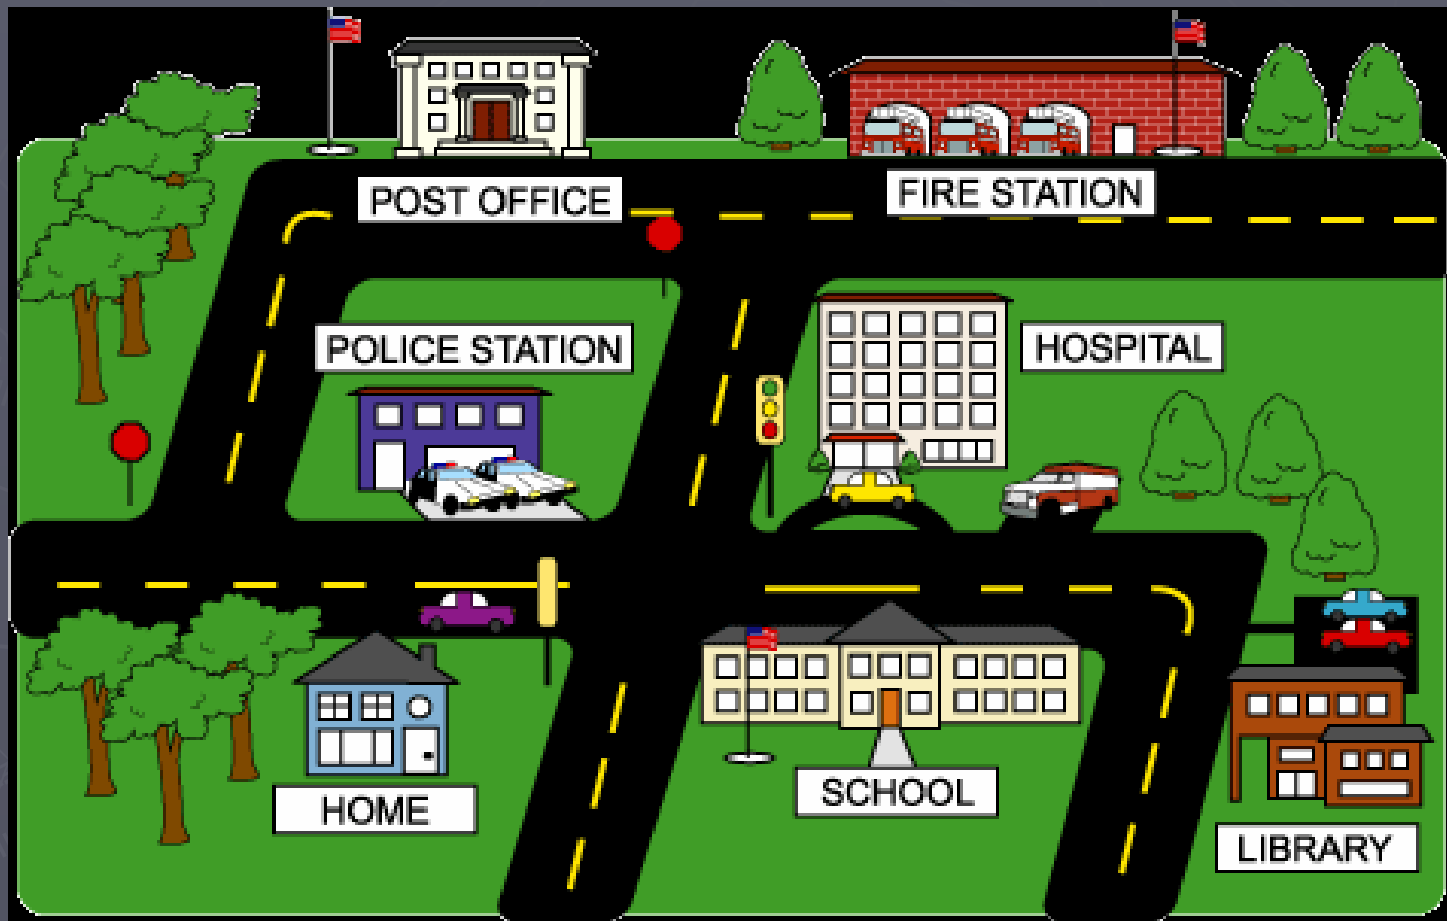

Ed watched as the baby chicks **hatched** from their eggs.

neighborhood

the area around your home

I have the only
treehouse in
the
neighborhood.
The area I live
in does not have
many trees.

swamp

an area of wet land

There is a **swamp**, an area of wet land, near my house.

rescue

to save someone who is in danger

My brother likes to **rescue** any animal in danger of harm. He helps them get to safety.

terrible

bad

Sometimes he got along
with his friends.

Sometimes he had
terrible fights.

sprinkler

A device that scatters drops of water

This dinosaur needed a lot of water. If he still lived here we'd have to keep the **sprinkler** on all the time.
