

The Hole in the Dike

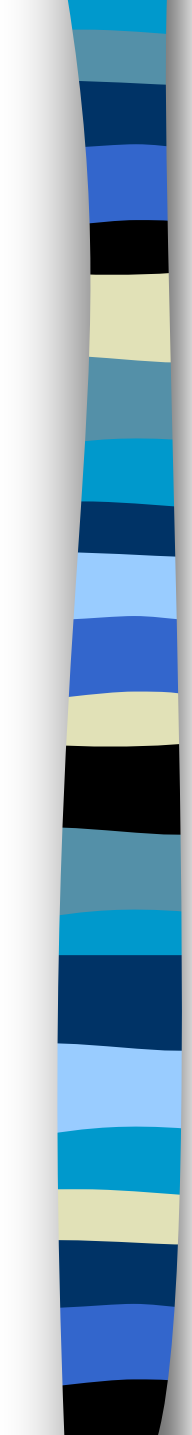

Unit 5

Lesson 3

gurgling

Making a sound like a bubbling liquid.

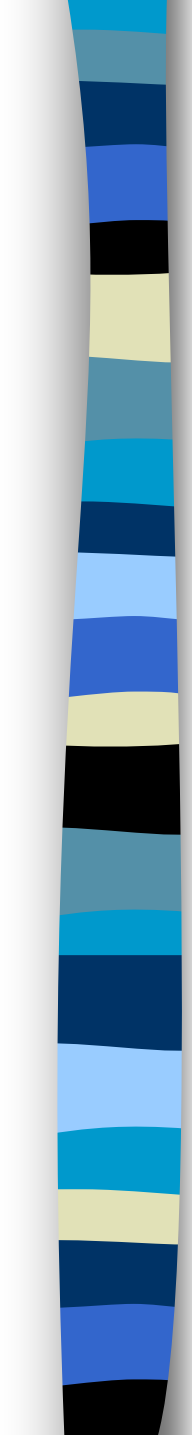

The gurgling of the
water in the stream
was very calming.

trickling

Like a liquid that is falling or flowing drop by drop.

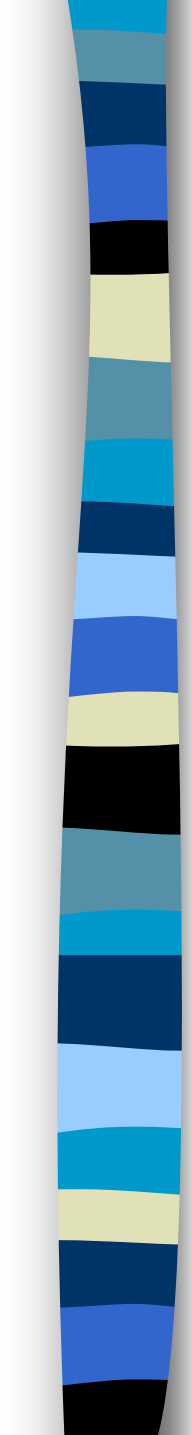

The **trickling** water
came from a melting
icicle.

gushing

Pouring out suddenly and in large amounts.

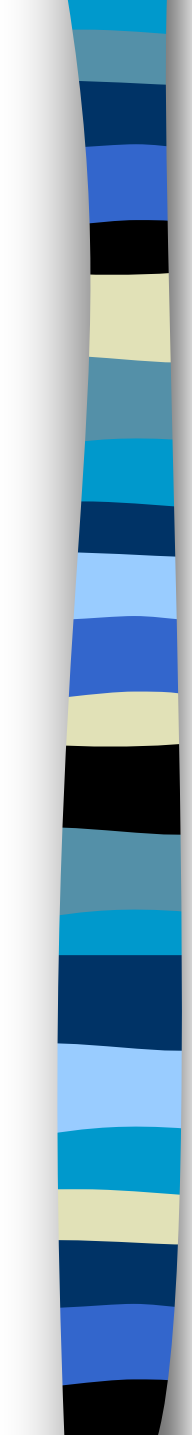

The water came
gushing out of the
open dam.

numb

Having no feeling, as if asleep.

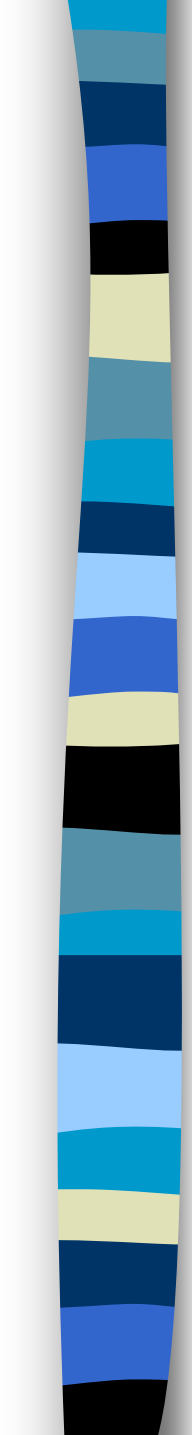

My fingers are
numb. They have no
feelings in them.

rumbling

Making a heavy, deep, rolling sound.

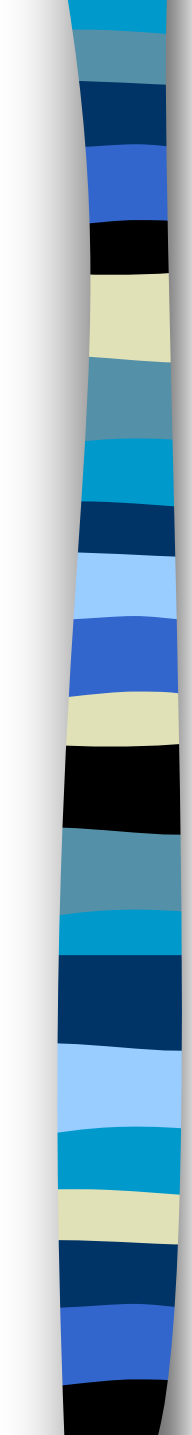

You can hear the
thunder rumbling
during a
thunderstorm.

hero

A person who is honored because of brave or courageous acts.

Everyone has a hero,
a person who is
looked up to for
being brave.
